Elitha Donner Elementary School

Become a Parent Volunteer

We value our parents and their involvement in our School's Academic and extracurricular programs. Studies have shown that when parents are involved, students achieve at a higher level. There are many ways that you can support your child's education. There are plenty of opportunities for parents to participate on campus. As a volunteer, you can choose what you do. You can read with children, go on field trips, talk about careers, assist with band or sports activities, tell children about famous artists, strengthen math skills or help in other ways that our school needs. You make the choice! Parents have the latitude to serve whenever their schedules permit: weekly, bimonthly or occasionally.

Why should I volunteer?

Becoming involved in the school pays off for you, your child and every student at the school. By volunteering to help, your service makes a difference. The more that parents and community members volunteer their time and expertise to help the school, the greater the impact. Classroom teachers can add to learning activities, the school can offer more programs and students can get extra help because of active school volunteers.

Ongoing Activities

We are looking for parents to assist in the following activities. I would like to volunteer for the following: (Please check)

- School Garden
- Classroom Volunteer
- AR Library Support - 1 day per week after school for 30 mins for students to take tests.
- Supporting School Events -- as needed or when I am available
